Sir:

This is an Information Disclosure Statement submitted in compliance with the timing requirements of 37 C.F.R. § 1.97(b)(3), i.e. prior to a first Office Action on the merits.

Attached are copies of three Japanese patent publications, which were first cited on June 7, 2005, by the Japanese Patent Office in an Office Action, issued in connection with the counterpart Japanese patent application. Also attached are English-language abstracts and/or computer translations of respective ones of the publications, from which any relevance of the documents may be gleaned. The Examiner may also wish to consider the U.S. counterpart patent No. 4,538,344 of the Japanese patent publication No. 59-154040, from which any relevance of this publication may be gleaned. The publications are listed on the attached Form PTO-1449.

It is hereby certified that each item of information contained in the Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

Since this Information Disclosure Statement is being filed before a first Office Action on the merits, no fee is required, and the requirements of 37 C.F.R. §§ 1.97 and 1.98 are deemed to be fully met as to all listed documents. Consideration of the listed documents is respectfully requested.

Should any fee be required, however, the Commissioner is hereby authorized to charge the fee to our Deposit Account No. 18-0002 and notify us accordingly.

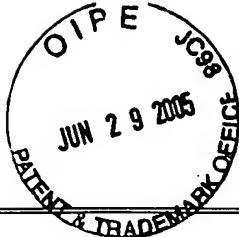

Respectfully submitted

June 29, 2005
